### THE WORD FROM ORGANIZING COMMITTEE

Dear colleagues,

On behalf of the Organizing Committee, we are very pleased to invite you to participate in the 11<sup>th</sup> INTERNATIONAL SCIENTIFIC - PROFESSIONAL CONFERENCE SBW 2021, "ENGINEERING TECHNOLOGIES IN MANUFACTURING OF WELDED CONSTRUCTIONS AND PRODUCTS, SBW 2021"

During previous ten meetings this conference has gathered numerous experts and scientists, who presented and introduced novelty in welding profession. Due to that, for the eighth time, organisers call everyone who can give their contribution to the area of welding technology and welding related techniques, automation and robotization in production of welded constructions, and all others that can, in any other way, give their contribution to development of welding practice, to present their scientific and professional knowledge and experiences.
